Dear Admiral and Mrs. Turner:

I would like to extend to you my personal invitation to attend the world premiere of Night Flight at the American Film Institute Theatre on Tuesday, January 16, at 5:15 p.m.

Following the premiere, there will be a cocktail reception in the Atrium of the John F. Kennedy Center for the Performing Arts. I hope that you will be with us for this event and that you will share with us your response to this special program for television.

We at The Singer Company are especially proud of our involvement in this presentation. It represents one of the first times a major U.S. company has independently produced a literary work of this stature for television.

I look forward to your being with us for this evening and hope that you will join us in our enthusiasm for this kind of programming.

Sincerely,

J.B. Flavin
Chairman
